

**COMMON REPAIR COSTS**

PROTECT YOURSELF AGAINST COSTLY VEHICLE REPAIRS LIKE THESE

**\$3,509** Engine  
**\$628** Generator/Alternator

**\$2,666** Transmission  
**\$362** Power Window Motor & Regulators

**\$1,417** ABS Control Unit  
**\$364** Electronic Fuel Injection Sensor

**\$1,719** Power-Steering Unit  
**\$513** Engine Mounts

**\$579** Starter Motor  
**\$441** Constant Velocity Joints & Boots

**\$1,127** Air Conditioning  
**\$472** Axle Hub Bearings

**\$708** Engine Injectors  
**\$1,102** Factory-Installed Radio

**\$928** Fuel Pump  
**\$857** Upper & Lower Control Arms

**\$662** Stabilizer Bars  
**\$2,433** Timing Chain & Sprockets

**\$972** Heater Core  
**\$359** Heater Blower Motor

**\$2,790** Valves & Guides  
**\$615** Water Pump

**\$1,689** Camshaft  
**\$2,273** Cylinder Head

*\*Actual average repair costs obtained from Extreme Claims Register 8-18*

**OPTIONAL COVERAGE**

**SEALS & GASKETS**

**POWERTRAIN & SELECT PLANS**

Standalone coverage for seals and gaskets. If coverage is not purchased, seals and gaskets are only covered in conjunction with a covered repair.

**ELECTRICAL PLUS**

**SELECT, SELECT PLUS, & SUPREME PLANS**

GPS system, electronic control modules, instrument cluster, infrared systems, cruise control servo, proximity pass key and sensor, power antenna motor, power trunk/tailgate motor, and power trunk/tailgate actuator. Components are not covered unless optional coverage is purchased.

**ABS**

**SELECT PLUS PLAN**

Hydraulic control unit, electronic control processor, wheel speed sensors, hydraulic pump, motor assembly, pressure modulator valve, isolation dump valve, and accumulator.

**MODIFIED SUSPENSION**

**SELECT PLUS & SUPREME PLANS**

Up to 4-inch lift or 2-inch lower and oversized tires up to three tire sizes.

*This brochure provides an overview of coverage. Actual contract coverage, limitations and exclusions may apply. See your Service Agreement for details.*

**ESSENTIAL**  
**ENHANCED**  
SERVICE CONTRACT

## ADDITIONAL BENEFITS

### ROADSIDE ASSISTANCE

**\$100/OCCURRENCE**

Lockout, fuel delivery, jump-start, tire change, and towing.

### RENTAL COVERAGE

**\$40/DAY, UP TO 8 DAYS/CLAIM**

Rental car provided in the event your car requires a covered repair.

*Not included with powertrain plan.*

● **POWERTRAIN** 72+ Components Covered

● ● **SELECT** 105+ Components Covered *(Includes Powertrain)*

● ● ● **SELECT PLUS** 171+ Components Covered *(Includes Select)*

● ● ● ● **SUPREME** 2,500+ Components Covered *(Includes Select Plus)*

**FOUR EXCELLENT PLAN OPTIONS DESIGNED FOR YOUR VEHICLE. ALLOWING YOU TO PICK THE PROGRAM THAT BEST SUITS YOUR NEEDS.**

## EXCLUDED COMPONENTS

Flex plates, fly wheels, manual clutch assembly, including pilot bearing assembly, throw out bearing, clutch engagement arm and pivot, clutch disc, and pressure plate, glow plugs, battery cables, battery case and mounting hardware, plug-in outlets, plug-in cable, trickle charger cable, hydrogen cell fuel stack, all filters, coolants and fluids (unless in conjunction with a covered repair), pcv valves, spark plugs, plug wires, exhaust pipes, emission components, catalytic converters, mufflers, resonators, shock absorbers, weather strips, metal trim, plastic trim, carpet, cup holders, vinyl and convertible tops, convertible frame and mechanism, sunroof track and mechanism, safety restraint systems or any part thereof, brake drums, brake rotors, solar powered devices, glass, lenses, headlamp assemblies, LED assemblies, ballasts, H.I.L.E.D. Cooling systems, body parts and/or body panels, broken glass, trim, moldings, tires, wheels, upholstery, paint, bright metal work, worn or carbon fouled piston rings, burnt valves, electronic device software, or non-factory installed, non-dealer installed, and non-oem systems, including, without limitation, audio, navigation, remote start, security systems, antennas, speakers, cellular phones, satellite components, video components, guidance systems, personal computers, and phone systems. Brake pads, shoes, wiper blades, wiper arms, batteries, drive belts, rubber hoses, sealed beams, fuses, xenon lighting systems, and light bulbs. Tire balance or wheel alignment (unless in conjunction with a covered repair). Unless the enhanced electrical optional coverage is selected: gps system, electronic control modules, instrument cluster, infrared systems, cruise control servo, proximity pass key and sensor, power antenna motor, power trunk/tailgate motor, and power trunk/tailgate actuator. Unless the modified suspension optional coverage is selected: costs or expenses if any of the following alterations have been made to the vehicle: any body or suspension lift, lower, or use of oversized tires.

## ENGINE ●

Gasoline Engine: All internally lubricated parts, including crankshaft, crankshaft bearings, oil pump, fuel pump, internal timing gears, chain and belt, camshaft, camshaft bearings, valve lifters, rocker arm assemblies and pushrods, valve guides, pistons and rings, wrist pins, connecting rods, exhaust manifolds, and distributor drive gears. Engine block and cylinder head is only covered if damaged by an internally lubricated part. Rotary Engine: All parts listed above plus rotors, rotor seals, rotor chamber, eccentric shaft and bearings. Diesel Engine: All parts listed above plus diesel injectors, injection pump, EGR valve, EGR cooler, EVP sensor, oil cooler, lines, and nozzles. Hybrid Electric Drivetrain: All parts listed above plus electric motor, transaxle, electronic transmission, power controller, inverter and generator(s). Turbo/Supercharged Engine: All parts listed above plus waste gate controller, intercooler, hard lines, compressor, bypass valve, clutch and pulley.

## DRIVE AXLE ●

Drive axle housing, and all internally lubricated parts, including pinion bearings, ring and pinion gear, carrier assembly, thrust washers, axles and axle bearings, C/V joints and internal transaxle seal.

## TRANSMISSION ●

All internally lubricated parts contained in the housings: torque converter, oil pump, valve body, vacuum modulator, governor, main shaft, clutches, bands, drums, gear sets, bearings, bushings, sealing rings, TV cable, solenoids and electronic shift control unit, transmission mounts, cooler, cooler hoses and hard lines, dipstick and tube, fasteners for the components listed above. Transmission case is only covered if damaged by an internally lubricated part. Transfer Case (4X4 vehicles): all internally lubricated parts. Transfer case housing is only covered if damaged by an internally lubricated part.

## SEALS & GASKETS ●

In conjunction with a covered repair.

## ELECTRICAL ●

Alternator, generator, starter motor, voltage regulator, distributor, solenoids, manually operated switches, electronic level control compressor, including sensor and limiting valve, electronic fuel injection sensors and injectors, electronic ignition module, power window motors, rear window heating element, power mirror motors, power seat motors, power door lock actuators and cruise control.

## POWER STEERING ●

Steering gear box, pump assembly, rack and pinion, control valves, bearings and shafts.

## AIR CONDITIONING ●

Compressor, condenser, evaporator, expansion valve, receiver drier, blower motor and hot water valve.

## SUSPENSION ●

Upper and lower control arms, control arm shafts and bearings or bushings, upper and lower ball joints, steering knuckle, radius arm and bushings, torsion bars and mounts and bushings, stabilizer bars, links and bushings, struts, strut bearing plates, spindle and spindle support, wheel bearings, variable dampening suspension, compressor, control module, actuator, solenoid, height sensor and mode selector switch.

## DRIVE AXLE 2 ●

Center carrier bearings, double offset joint, universal joints, propeller shafts, locking hub mechanisms and drive shaft and yokes.

## ELECTRICAL 2 ●

Front and rear wiper motor and wiper circuit board.

## SEALS & GASKETS 2 ●

In conjunction with covered components and/or covered on all vehicles with less than 100,000 miles at contract date.

## BRAKING ●

Master cylinder, rear actuators, brake booster, power brake cylinder, proportioning and control valve, vacuum assist booster, hydro boost, disc brake caliper, wheel cylinder, compensating valve and metal brake hydraulic lines and fittings. ABS *(Requires Surcharge)*: Hydraulic control unit, electronic control processor, wheel speed sensors, hydraulic pump, motor assembly, pressure modulator valve, isolation dump valve and accumulator.

## COOLING ●

Engine cooling fan and motor, blower motor (heater), clutch blade, fan clutch, serpentine belt tensioner, radiator, heater core, water pump and thermostat.

## EXCLUSIONARY COVERAGE ●

Provides coverage for all the parts listed plus thousands more! All of your mechanical failures will be covered except the ones listed to the right — simply put, it is the best coverage available!
