# WHY GUARANTEED ASSET PROTECTION (GAP) MAKES SENSE FOR ME.

If your vehicle is stolen or damaged and deemed a total loss, you are responsible to pay the difference between what you owe and what your insurance company says your vehicle is worth. GAP protection can help cover the difference and potentially save you thousands of dollars.

Guaranteed Asset Protection allows you to rest easy knowing that you are protected financially in the case of an accident or theft. If your car was totaled tomorrow, would you be able to cover the remaining loan balance? With GAP, it's better to be safe than sorry.
